8. The attached Wage Determinations are hereby incorporated into the subject contract. Under FAR 52.222-43(f), the Contractor shall notify the Contracting Officer of any increase claimed within 30 days after receiving a new wage determination unless this notification period is extended in writing by the Contracting Officer. The Contractor shall promptly notify the Contracting Officer of any decrease under this clause, but nothing in the clause shall preclude the Government from asserting a claim within the period permitted by law. The notice shall contain a statement of the amount claimed and the change in fixed hourly rates (if this is a time-and-materials or labor-hour contract), and any relevant supporting data, including payroll records, that the Contracting Officer may reasonably require. Upon agreement of the parties, the contract price, contract unit price labor rates, or fixed hourly rates shall be modified in writing. The Contractor shall continue performance pending agreement on or determination of any such adjustment and its effective date.

9. Contract prices are as established in Section B of the contract or as revised by issuance of a contract modification. No funds are obligated at this time. Funds will be obligated by issuance of separate delivery orders.

10. All other contract terms and conditions remain unchanged.
